www.emeraldtradeint.com

OVERVIEW

Emerald Trade International Ltd is a leading trading company in Bangladesh and the exclusive distributor of Sprayway Singapore Pte Ltd. Renowned for its commitment to quality and customer satisfaction, the company specializes in a diverse range of aerosol-based products under premium brands such as Sprayway, ANC, SW, and more.

With an extensive portfolio catering to industries like sewing, hardware, housekeeping, and marine care, Emerald Trade International Ltd sources its high-quality products from the United States and China to ensure reliability and excellence. The company is distinguished by its focus on transparency and safety, providing MSDS, TDS, ZDHC, and OEKO-TEX certifications to uphold the highest standards of environmental responsibility and product integrity.

Driven by a relentless pursuit of excellence, Emerald Trade International Ltd continues to set benchmarks in the industry, becoming the trusted partner for businesses and individuals in Bangladesh seeking premium aerosol solutions.

OUR BRANDS

Mission

The mission of a company outlines its core purpose and the fundamental reason for its existence. The mission statement of Emerald Trade International Ltd might be something like:

To provide exceptional products and services to our customers, setting industry standards in quality, innovation, and customer satisfaction. We are committed to building long-term relationships with our partners, ensuring their success and growth while upholding the highest standards of integrity and professionalism.

Vision

A company's vision statement describes its long-term goals and aspirations. The vision statement of Emerald Trade International Ltd could be:

To be the leading provider of innovative and high-quality products, recognized globally for our unwavering commitment to customer satisfaction and industry excellence. We envision a future where our products and services enrich the lives of our customers and contribute to the growth and success of our partners." The phrase "Customer is the oxygen of this company" reflects the deep commitment of Emerald Trade International Ltd to its customers.

Core Values

While We don't have access to the specific core values of Emerald Trade International Ltd, a company's core values typically reflect its guiding principles and the fundamental beliefs that shape its corporate culture and behavior. However, we can suggest some common core values that many successful companies embrace. Emerald Trade International Ltd may have its own set of core values, which can be confirmed by referring to the company's official materials or statements. Here are some common core values that companies often emphasize:

▶ SPOT LIFTERS

► FUSING MACHINE BELT CLEANER

Sprayway Singapore SS 823 Fusing Machine Belt Cleaner is specifically formulated to clean and maintain the belts of fusing machines. Its powerful formula effectively removes adhesive residues, fabric lint, and other contaminants, ensuring optimal performance and longevity of your equipment.

Capacity: **400 ml**

APPLICATIONS:

- Textile Manufacturing
- Commercial Use
- Industrial Settings

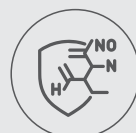

Effective Residue Removal

Cleans adhesive residues, fabric lint, and other contaminants from fusing machine belts.

Enhanced Performance

Maintains the efficiency and functionality of fusing machines.

Protective Formula

Helps prevent future buildup of residues and contaminants.

BENEFIT

Improved Machine Efficiency

Keeps fusing machine belts clean, ensuring smooth operation.

Versatile Use

Suitable for various types of fusing machines in different industrial settings.

Extended Equipment Life

Regular cleaning helps prolong the life of fusing machine belts.

INSTRUCTIONS FOR USE:

- i. Turn off and cool down the fusing machine before cleaning.
- ii. Shake the can well before use.
- iii. Hold the can 6-8 inches from the belt surface.
- iv. Spray a light, even coat over the belt while manually rotating it.
- v. Wipe with a clean cloth or brush to remove residues.
- vi. Repeat as necessary to ensure thorough cleaning.

Time Saving

Quick and easy application reduces downtime for maintenance.

CERTIFICATIONS AND SAFETY

Safe for Machine Belts

- Formulated to be gentle on fusing machine belts while delivering powerful cleaning.

Eco-Friendly:

- Designed with minimal environmental impact in mind.

► NO FRAY SPRAY

Sprayway Singapore No Fray Spray 821 is a specialized aerosol product designed to prevent fraying and unraveling of fabric edges. This product provides a clear, flexible coating that bonds fibers together to secure raw edges and seams

Capacity: **400 ml**

APPLICATIONS:

- Sewing Projects
- Crafts and DIY
- Textile Arts

Prevents Fraying

Forms a protective coating that prevents fabric edges from fraying.

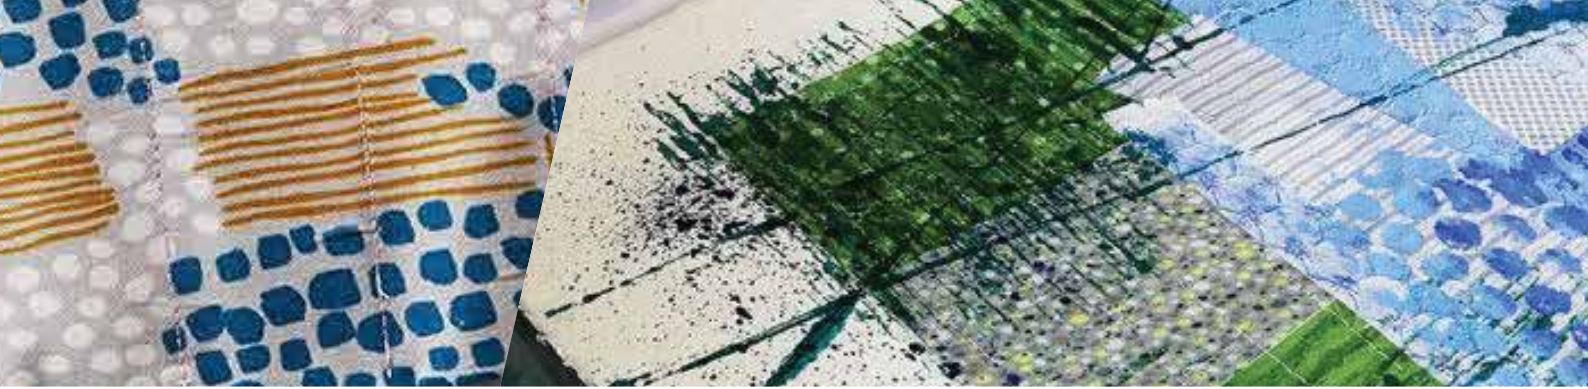

Clear and Flexible

Provides a clear finish that remains flexible after drying.

Dries Quickly

Allows for fast application and drying time.

BENEFIT

Enhances Durability

Extends the life of fabrics by preventing fraying.

Professional Finish

Provides a neat and clean appearance to fabric edges.

Easy Application

Simply spray on to secure and protect fabric edges.

INSTRUCTIONS FOR USE:

- i. Shake the can well before use.
- ii. Hold the can upright and spray a light, even coat on the fabric edge or seam.
- iii. Allow to dry completely before handling or sewing.
- iv. For best results, apply multiple light coats rather than one heavy coat.

Non-Yellowing

Ensures fabric colors remain vibrant.

CERTIFICATIONS AND SAFETY

Safe for Fabrics

- Formulated to be gentle on fabrics while providing strong hold.

Eco-Friendly:

- Designed with minimal environmental impact in mind.

► PRECISION CONTACT CLEANER

Sprayway Singapore SS 789 Precision Contact Cleaner is designed to deliver high-performance cleaning for sensitive electronic components and precision instruments. Its quick-drying, residue-free formula ensures thorough cleaning without causing any damage to delicate surfaces.

Capacity: **550 ml**

APPLICATIONS:

- Residential
- Precision Instrument
- Office Equipment
- Industrial Use

High-Performance Cleaning

Effectively removes dirt, dust, and contaminants.

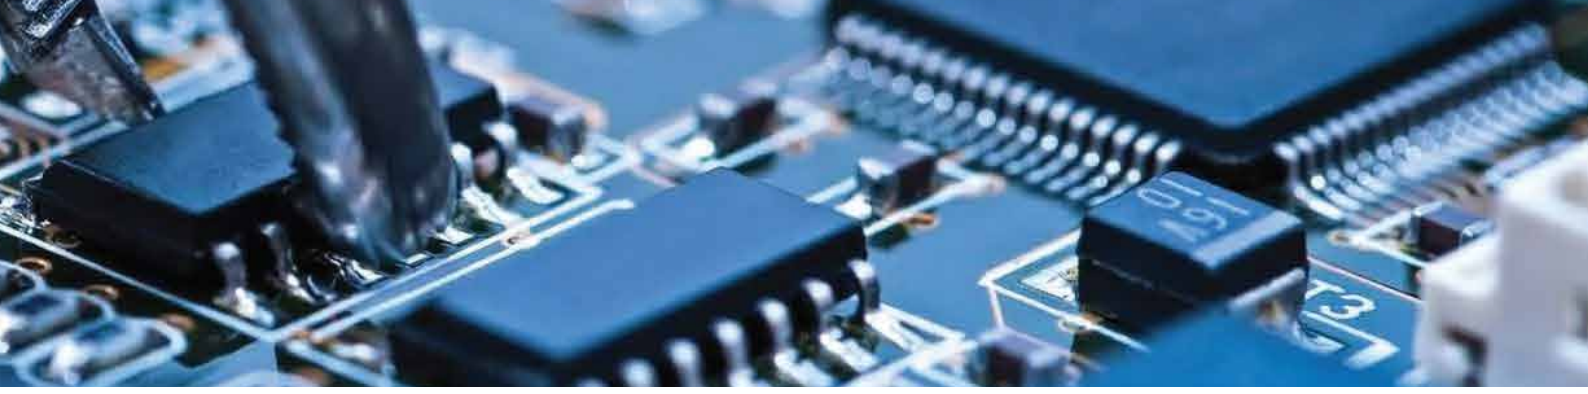

Quick-Drying Formula

Leaves no residue, ensuring clean, dry surfaces.

Safe for Sensitive Components

Ideal for cleaning electronic devices, circuit boards, and precision instruments.

BENEFIT

Improved Performance

Helps maintain the efficiency and longevity of electronic components.

Residue-Free Cleaning

Ensures no sticky or greasy residue is left behind.

Versatile Application

Suitable for use in electronics repair, manufacturing, and maintenance.

INSTRUCTIONS FOR USE:

- i. Shake the can well before use.
- ii. Ensure the equipment is powered off before cleaning.
- iii. Hold the can 6-8 inches from the surface.
- iv. Spray a light, even coat over the area to be cleaned.
- v. Allow the cleaner to dry completely before powering on the equipment.

Non-Conductive Formula

Safe to use on live circuits without causing shorts.

CERTIFICATIONS AND SAFETY

Safe for Electronics:

- Formulated to be non-conductive and safe for use on sensitive electronic components.

Eco-Friendly:

- Designed with minimal environmental impact in mind.

► SILICONE SPRAY CLEANER

Sprayway Singapore 945 Silicon Spray Cleaner is a versatile cleaner and lubricant designed to protect and maintain various surfaces. Its silicone-based formula provides a protective coating that repels water and prevents rust and corrosion.

Capacity: **500 ml**

APPLICATIONS:

- Automotive
- Industrial
- Home
- Outdoor

Silicone-Based Formula

Provides a durable silicone coating for protection.

Water Repellent

Helps to repel water and moisture, preventing rust and corrosion.

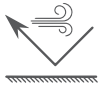

Lubricates

Reduces friction and wear on moving parts.

BENEFIT

Protective Coating

Shields surfaces from moisture, oxidation, and UV rays.

Versatile Use

Ideal for automotive, industrial, and household uses.

Enhanced Durability

Extends the life of equipment and surfaces.

INSTRUCTIONS FOR USE:

- i. Shake the can well before use.
- ii. Hold the can upright and spray evenly onto the surface from a distance of 6-8 inches.
- iii. Allow to dry for a few minutes.
- iv. For lubrication, apply directly to moving parts.
- v. Wipe off any excess with a clean cloth if necessary

Smooth Operation

Lubricates and reduces friction on moving parts.

CERTIFICATIONS AND SAFETY

Safe for Various Surfaces

- Formulated to be compatible with a wide range of materials.

Eco-Friendly:

- Designed with consideration for environmental impact.

► RUST REMOVER AND CLEANER

Sprayway Singapore SS RD-90 Rust Remover and Cleaner is a powerful solution designed to eliminate rust and corrosion from metal surfaces. Its advanced formula penetrates deeply to break down rust, restoring the metal to its original condition while leaving a protective coating to prevent future rusting.

Capacity: **400 ml**

APPLICATIONS:

- Residential
- Automotive
- Industrial
- Construction

Effective Rust Removal

Quickly dissolves rust and corrosion on metal surfaces.

Multi-Surface Use

uitable for various metal surfaces including tools, machinery, and equipment

Protective Coating

Leaves a protective layer to prevent future rusting.

BENEFIT

Restores Metal Surfaces

Revitalizes rusted metal, making it look like new.

Versatile Use

Suitable for both residential and industrial use.

Prevents Future Rust

The protective coating helps keep metal surfaces rust-free longer.

INSTRUCTIONS FOR USE:

- i. Shake the can well before use.
- ii. Ensure the surface to be treated is clean and dry.
- iii. Hold the can upright and spray directly onto the rusted area.
- iv. Allow the cleaner to penetrate the rust for a few minutes.
- v. Wipe away with a clean cloth or brush.
- vi. For heavily rusted areas, repeat the application as necessary

Easy to Use

Spray-and-wipe application simplifies the rust removal process.

CERTIFICATIONS AND SAFETY

Safe for Metal Surfaces

- Formulated to be tough on rust but gentle on metal.

Eco-Friendly:

- Designed with minimal environmental impact in mind.

▶ GRILL & OVEN CLEANER

Sprayway Singapore SS 824 Grill & Oven Cleaner is the ultimate solution for tackling tough grease and grime on grills, ovens, and other cooking appliances. Its powerful formula breaks down baked-on residues, making it easy to maintain a clean and hygienic cooking environment.

Capacity: **550 ml**

APPLICATIONS:

- Residential
- Commercial Kitchens:
- Outdoor Use
- Food Service

Powerful Grease Removal

Effectively cuts through baked-on grease and grime.

Multi-Surface Use

Suitable for grills, ovens, stovetops, and other cooking appliances.

Fast-Acting Formula

Works quickly to break down tough residues.

BENEFIT

Deep Cleaning

Ensures a thorough clean, leaving cooking appliances spotless

Versatile Use

Ideal for both home kitchens and commercial food preparation areas.

Improved Hygiene

Maintains a clean cooking environment, reducing the risk of contamination

INSTRUCTIONS FOR USE:

- i. Shake the can well before use.
- ii. Ensure the appliance is off and cool before cleaning.
- iii. Hold the can upright and spray directly onto the surface to be cleaned.
- iv. Allow the cleaner to penetrate for a few minutes.
- v. Wipe away with a clean cloth or sponge.
- vi. Rinse the area with water if necessary.

Time-Saving

Cuts through grease quickly, reducing the time and effort needed for cleaning

CERTIFICATIONS AND SAFETY

Safe for Cooking Appliances

- Formulated to be tough on grease but safe for use on cooking surfaces.

Eco-Friendly:

- Designed with minimal environmental impact in mind.
